This is an in-person event to watch the recorded sessions from the AAC By The Bay Conference in California.

The recorded screenings and group discussions will offer a great opportunity to continue growing your AAC knowledge.

Meet others in the AAC Community and listen to an international line up on AAC-related topics including literacy, CVI, Social Stories, Emotional Competence, and receptive language assessment.

We are grateful to the Bridge School for granting us the rights to screen these lectures in Singapore, and to Rainbow Centre for being our venue host.
